SANTIAGO ORREGO DIAZ

Ecological proposals

If I were President, all aerial species would be national heritage, since Colombia has a great diversity of species

If I were president we would give more importance to all the species and to the conservation of fauna and flora

If I were president I would force all people to recycle.

If I were president, the ecosystems of Colombia's marine systems would be better preserved

If I were president, we'd have cleaner, more environmentally friendly cities

If I were president I would promote campaigns for the conservation of bees since they are very important for the creation of new ecosystems

SANTIAGO ORREGO DIAZ

Education

If I were president, education would be
our primary
concept for life and society

If I were president, there would be
more budget for educational
institutions

If I were President, higher education
would be a fundamental right for all
Colombians
